

**OLC: A Leading Center
for Education and Learning**

OLC Facility Amenities

The OLC staff has over 20 years of hands-on experience in meeting planning and medical/surgical education.

From the initial call to the final follow-up, our event management team works with you to ensure all your meeting, catering and AV needs are flawlessly executed.

In addition to our Concierge Services, other OLC amenities include:

- Full-service catering services: from simple delicious box lunches and cocktail receptions to buffets and sit-down meals
- A centralized lobby space for efficient registration
- 14 dynamic displays throughout the facility providing real-time event schedule and flight information
- On-site locker rooms and coat/luggage storage areas
- Conveniently located near Rosemont's numerous hotel, dining and entertainment options

State-of-the-Art
Facility

Collaborate

For over 20 years, the OLC Education & Conference Center has been a leading center for education and learning.

Conveniently located five minutes from O'Hare International Airport, the OLC is an ideal venue for special events, seminars, educational conferences, hybrid meetings and more.

Educate

The OLC has 11,000+ square feet of flexible multi-purpose meeting and educational space—all on one convenient floor.

U.S. and international organizations and associations use the OLC for:

- Conferences and hospitality events
- Board and corporate meetings
- Recorded or live-streamed seminars
- Continuing medical education and surgical procedures training
- Hands-on bio-skills training
- New product and medical device briefings and demonstrations

Innovate

Specifically designed to meet the demanding requirements of high-tech learning environments, the OLC features:

- 24/7 availability
- Multi-purpose auditorium/meeting lecture room space for up to 180 people
- Spacious hands-on teaching lab to accommodate up to 96 participants
- Two state-of-the-art conference rooms
- The latest technology and AV equipment – including HD projectors and cameras, wide LED screens and multi-media lecterns
- A fully equipped HD broadcast film studio capable of recording and live videostreaming

"The OLC is an amazing venue. Spacious, convenient, with state-of-the-art technology. This is the best educational facility the world has to offer."

- Felix H. Savoie, MD, Professor of Clinical Orthopaedics and Chief of Sports Medicine, Tulane University School of Medicine
